HR USE ONLY

Position Code:

Employee Type: Salary

Effective Date: June 2014

Developed By: R Lindeman

HR Consultant: S McCullough

TITLE: Hospital Medical Director (HMD) - Trauma

DEPARTMENT AND COST CENTER: Various

ROLE OVERVIEW: The Hospital Medical Director (HMD) will provide physician leadership for one or more clinical microsystem/functional units within a campus hospital or hospitals. The HMD maintains comprehensive knowledge of the capabilities, capacity and opportunities of the clinical microsystem. This physician leader actively engages physician, nursing and administrative colleagues in collaborative improvement activities and readily communicates expectations and desired performance characteristics to local physicians. The HMD solicits input and feedback to help understand the problems and opportunities at hand.

The HMD is guided by the development and ongoing monitoring of performance metrics and specific collaboration activities. Collaborative activities are focused primarily on achieving macro-system objectives across microsystem boundaries. Activities are intended to enhance cross-functional and cross-entity performance.

The HMD will have the unique combination of skills to succeed in the rapidly changing healthcare environment: a progressive, flexible, innovative "lead by doing" and team player-coach who skillfully facilitates change in order to create the highest quality and cost effective physician organization and help drive a performance based culture.

This is a 0.05 to 0.1 FTE (Full Time Equivalent) position, projected to require approximately 2 to 4 hours of commitment per week, depending upon site activity and volume.

REQUIRED EXPERIENCE: Three (3) years clinical experience in the area of clinical care for which position will oversee.

REQUIRED EDUCATION: Medical Doctor or Doctor of Osteopathic, Board Certified or Board Eligible General Surgeon or a

General Surgeon who is an American College of Surgeons Fellow with a special interest in trauma. Current certification in Advanced Trauma Life Support

REQUIRED LICENSE:

Must be an Indiana licensed, Medical Doctor (M.D. or D.O.)

PREREQUISITE SKILLS:

- Exceptional skills in developing relationships, mediating conflicts, building teams, communicating, and planning.
- Clinical expertise in acute care, with a broad based knowledge of clinical issues including ongoing clinical activity.

REPORTS TO:

Regional Vice President of Clinical Performance

SUPERVISES:

None

ESSENTIAL FUNCTIONS:

The following functions describe the essential duties of this role. Individuals in this role may not perform all of these duties, or may perform additional, related duties not listed here.

1. Physician leadership and active participation in the hospital's monthly **Physician Advisory Group**.
2. Physician leadership and active participation in the hospital's monthly **Group HMD Tactical Planning Sessions**.
3. Physician leadership and active participation in other periodic meetings or sessions as directed by VPCP.
4. Physician leadership and active participation in monthly **HMD/VPCP One-on-One Meeting**
5. Support efforts to improve acute care and hospital specific Quality Pillar Metrics and KPIs.
6. Promotion and facilitation of physician development, engagement and participation in hospital and acute care performance improvement teams.

WA

7. Work across organizational dimensions with product line, CPN and independent physicians to generate improvement in content and delivery quality.
8. Support Quality/Risk related activities including Root Cause Analysis teams, accreditation activities and patient complaints
9. Participate in physician recruitment and orientation as well as work force development for the network.
10. Accountable to setting metrics, monthly review of performance and rounding resulting in development of mitigation activities in collaboration with VPCP and prescribed entities such as CPN, Medical Executive Committee, etc.
11. Operates all areas of responsibility with strong business ethics and integrity. Embrace, lives out and promotes the Standards of Behavior and network values – PRIIDE.

TRAUMA SPECIFIC ESSENTIAL FUNCTIONS:

1. Participate in the research, development and writing of trauma policies, protocols and practice guidelines.
2. Implement all trauma program policies and procedures as they pertain to patient care.
3. Organize, direct and integrate the trauma program with all other departments and services within the hospital.
4. Promote a cooperative and collaborative working environment among the clinical disciplines involved in trauma care.
5. Lead efforts to develop and maintain a trauma center.
6. Collaborate with the Trauma Program Manager to establish trauma program goals and objectives consistent with those of the hospital and ensure that those of the trauma program are being met.
7. Develop and provide input on the development and maintenance of practice guidelines, policies and methodologies for medical/surgical trauma care.
8. Participate in site review by regulatory agencies.
9. Organize, direct and implement departmental practices to assure continued compliance with applicable laws including the guidelines established by the Statewide Trauma System and the Joint Commission on Accreditation of Hospitals.
10. Assure transfer agreements in place and in good standing; maintain relationship with receiving facilities, foster collaborative relationship.
11. Make appropriate referrals for specialty services and communicate regularly with referring physician as appropriate.
12. Ensure that adequate attending physician availability is provided to render care to trauma patients.

13. Ensure establishment of physician/surgeon call schedules for all trauma care, excluding those who do not meet educational and credentialing requirements.
14. Provide trauma care leadership and consultation for emergency, surgery and intensive care unit departments.
15. Participate in regional and statewide activities affecting the trauma program.
16. Attend local and national meetings and conferences to remain current regarding issues relevant to the performance of duties.
17. Demonstrate consistent, efficient, cost effective and quality trauma care at all times.
18. Participate in trauma patient/family satisfaction projects as developed by hospital.
19. Determine and implement PI activities appropriate to the trauma program.
20. Oversee the trauma PI program and participate in other quality initiatives that deal with the care of injured patients.
21. Review and investigate all trauma PI inquiries in collaboration with the Trauma Program Manager and refer to the appropriate committees.
22. Identify and correct deficiencies in trauma care policies, guidelines and protocols.
23. Identify representatives from various disciplines appropriate to participate in PI activities.
24. Coordinate, schedule and facilitate the PI peer review process.
25. Review all trauma-related peer review and initiate action as necessary.
26. Assist the Trauma Program Manager in evaluating the effectiveness of corrective actions resulting from PI processes.
27. Assume responsibility for the accuracy and validity of trauma statistics.
28. Support the requirements for trauma CME by participating and assisting in the education and training of hospital personnel physicians and specialists; maintain required CME's
29. Provide education for hospital staff regarding trauma program policies and appropriate medical practices.
30. Maintain relations with community organization and legislative bodies whose activities relate to trauma care and injury prevention
31. Participate in hospital outreach activities as may be requested by administration.
32. Develop and participate in trauma community education and injury prevention activities.
33. Function as a liaison to other hospitals within the region.
34. Must participate in trauma call

COMPETENCIES:

Identify those technical competencies (role summary specific) necessary to perform the work.

Joseph J. Pavlik, M.D., FACS

Joseph J. Pavlik, M.D., attended Wabash College in Crawfordsville, Indiana. He received his medical degree from Indiana University School of Medicine in Indianapolis where he was elected to membership of the Alpha Omega Alpha Honor Medical Society. He completed a residency at University of Cincinnati Hospitals in Cincinnati, Ohio.

Dr. Pavlik is board eligible in general surgery. He specializes in abdominal surgery, hernias, biliary (gallbladder) surgery and pancreatic surgery. He performs laparoscopic surgery with a focus on spleen, pancreas, colon and hernias. He treats patients of all ages.

Dr Pavlik has a special interest in trauma care and has provided emergency surgery call coverage for over 20 years. Additionally, he successfully completed the Advance Trauma Life Support Class in 2014. He currently serves at the Trauma Medical Director for Community Hospital North.

He is a member of the Indiana State Medical Association, and a Fellow of the American College of Surgeons.

Dr. Pavlik is married and the father of three teenagers. In his spare time, he enjoys hockey and is a high-performance driving instructor.

16A

Trauma Surgeon Response

We have not started keeping track of Surgeon response times. We have developed a plan to start keeping track of surgeon response times upon notification that we are formally in process of a Level III Trauma Center designation. Assuming we are approved, our planned start date for keeping track of surgeon response times is August 11, 2014.

On August 11th, we will begin calling Traumas using our Trauma Activation Criteria. Trauma surgeons and staff have been trained on the response requirements. The trauma surgeons know that a surgeon must be at bedside within 30 mins of the patient's arrival. We have developed the following way to document when the trauma surgeon arrives at bedside. We have a Trauma Log that will be kept at the main desk in the Emergency Department. That Log is submitted as a separate document. We will report times monthly at our PIPS meetings. The Trauma Medical Director and Trauma Program Manager will review Trauma charts and Surgeon response times after each trauma. Any issues with response times will be addressed immediately by Trauma Medical Director, including education and developing new internal procedures to ensure prompt response times.

Katie Gatz
Director
Trauma and Injury Prevention
Indiana State Department of Health

Dear Katie:

Katie, I am the Nursing Director at Community North Hospital Emergency Department. I have been working very closely with Karen Hagen on the application for Level III trauma "In Process". Due to family matters, Karen has recently decided to relocate and pursue the opportunity to become an ED Director in North Carolina. Her last day of employment as the Trauma Program Manager was July 1, 2014. During this interim, we have been interviewing for a new Trauma Program Manager.

I would like to inform you that we have hired Jeremy Malloch, RN as the new TPM, starting August 4, 2014. His credentials are quite impressive. He is presently working as a Flight RN for Stat Flight in Anderson, IN.

To satisfy requirements of the application, I will send the following information as soon as possible to authenticate his credentials and experience.

- o Role summary
- o Copy of resume
- o Proof of educational preparation and certifications
- o Evidence of 16 hours of trauma-related CE

Please inform the Trauma Review committee of this change.

Thank you,

Judy A. Hall, RN

- o Role summary
- o Copy of resume
- o Proof of educational preparation and certifications
- o Evidence of 16 hours of trauma-related CE

In the interim, I have been serving as the TPM. I am an RN and have worked in ED and Surgery for 33 years as an RN. I worked very closely with Karen, and I attended the TPM course in October 2013 at Wishard. I have also been working with Sean Kennedy and Christy Croddy from Community Hospital East, and with Wendy St. John and Terri Joy from Eskenazi, in order to continue the program and education needed to move forward within the ED. I will send you my resume as soon as possible. I feel that the program has continued on track during the time between Karen's departure and when Jeremy will be on boarding.

Please inform the Trauma Review committee of this change.

Thank you,

JEREMEY MALLOCH RN, EMT-P, BSN

EXPERIENCE

PHI AIRMEDICAL

10 / 2012 - Present

Flight RN

Transport of critically ill and injured patients via air ambulance.
Maintain and develop relationships with local EMS agencies and hospitals.
Responsible for the development of a flight contract with a hospital that had previously not used our services.

ST. VINCENT HEALTH SYSTEM

02 / 2010 - 10 / 2013

RN/Paramedic

Provide care to patients presenting to the Adult Emergency Department with complaints ranging from coughs and colds to multi-system traumas. Roles include direct patient care, Charge nurse/supervisor, triage and orienting/precepting new nurse and nursing students, as well as assisting with training of EMT-B, EMT-P students and medical residents. Helped develop Ultrasound guided IV placement team in the ER.

RIVERVIEW HOSPITAL

09 / 2008 - 08 / 2010

RN/Paramedic

Provide nursing care to patients presenting to the Emergency Department and care to patients in the Intensive Care Unit, in a part time/PRN role.

HAMILTON COUNTY SHERIFF'S OFFICE

10 / 2007 - 02 / 2010

Deputy Sheriff/Paramedic

Deputy assigned to the patrol division. Responsible for responding to emergency calls, routine calls for service and proactive enforcement of criminal, traffic and civil laws. Wrote policies/procedures and protocols (operational, not medical) and developed a deputy/paramedic program which entailed maintaining an ALS certified, non-transport vehicle and responding to medical calls in addition to police responsibilities. In this role worked with members of the Jail tactical team as a team member and provided proactive health management through routine health checks. Also worked with the Noblesville Emergency Response Team, providing medical coverage necessary to complete their mission.

CITY OF NOBLESVILLE

01 / 2006 - 10 / 2007

Patrolman

Patrolman assigned to the patrol division. Responsible for responding to emergency calls, routine calls for service and proactive enforcement of criminal, traffic and civil laws. Also responded as a medical responder.

METHODIST HOSPITAL

05 / 2004 - 09 / 2006

Student Nurse Extern/Paramedic

Completed the Student Nurse Extern (SNE) program at Methodist's Emergency Medicine and Trauma Center and then transitioned into the Paramedic role at the completion of the program.

BLOOMINGTON HOSPITAL

10 / 2002 - 01 / 2006

Paramedic/EMT-B

Respond to medical calls throughout Monroe County working with Paramedics, EMT-basics and first responders to provide pre-hospital care. Started career as EMT-B, then progressed, to Paramedic level care. While at Bloomington, I worked in house in the ER and completed a student nurse internship in surgery.

RECOGNITIONS

- Service Excellence Award from St Vincent Hospital for excellence in care in an acute stroke patient.
- Letter of recognition and thanks from Indiana State University for participating in their Capstone Program and mentoring a BSN student.
- Plaque for service above and beyond by providing tactical/medical coverage to the Noblesville Emergency Services Unit.

LEADERSHIP

St Vincent Hospital

Charge Nurse: Managed the day to day operations of a busy ER/Level II Trauma Center.

Preceptor: Trained new staff, residents and medical students.

Hamilton County Sheriff's Office

Field Training Officer: Oriented and trained new officers in department policies, operations and State laws ranging from traffic infractions to serious felonies.

Deputy/Paramedic: Developed and wrote policies and procedures for a deputy/paramedic program in which I operated an ALS squad car in a quick response vehicle, non-transport role. In this role, I also operated with the jail Sheriff's Emergency Response Team (SERT) and worked with the Noblesville Emergency Services Unit.

Bloomington Hospital Ambulance Service

Acted as preceptor for new staff, as well as EMT-B and EMT-P students while working for BHAS.

EDUCATION

Indiana University.

Bachelor of Science in Nursing

Ivy Tech.

Associates of Science in Paramedic Science. Graduated Magna Cum Laude

Indiana Law Enforcement Academy.

Graduated third in class with Honors, which combined academic performance with firearms excellence and high physical fitness standards.

TEACHING

AMRM Instructor: Training flight crew members in Air Medical Resource Management and instilling a culture of safety.

TNCC Instructor: Presenting ENA lectures throughout Indiana; working with StatFlight and St Vincent staff.

Indiana University: Presented guest lectures to EMT-Basic classes and taught skill labs. Acted as evaluator for state EMT-B testing.

Ivy Tech: Presented guest lectures to Paramedic Students and helped teach skill labs.

Indiana University Law Enforcement Academy: Presented guest lectures to the cadets in first responder training and EMS Awareness.

Hamilton County Sheriff's Office.: Firearms instructor. Responsible to teaching basic marksmanship to advanced tactical shooting in handgun, rifle, shotgun and less lethal weapons.

Dear Jeremey Malloch:

Congratulations on being a Certified Flight Registered Nurse (CFRN®). CFRN certification is one of the most effective ways of letting others know that you have achieved professional recognition for your knowledge in emergency nursing. Your accomplishment demonstrates a commitment to personal and professional growth.

The Board of Certification for Emergency Nursing (BCEN®) is pleased to enclose your Certificate, wallet card and complimentary CFRN patch for achieving the CFRN credential.

Once again, congratulations on your accomplishment!

Sincerely,

C. Lynne Grief, PhD, RN, CEN

Recognitions

- Service Excellence Award from St Vincent Hospital for excellence in care in an acute stroke patient.
- Letter of recognition and thanks from Indiana State University for participating in their Capstone Program and mentoring a BSN student.
- Plaque for service above and beyond by providing tactical/medical coverage to the Noblesville Emergency Services Unit.

Leadership

St Vincent Hospital

Base educator St Vincent StatFlight 3

Charge Nurse.

Preceptor.

Hamilton County Sheriff's Office

Field Training Officer: Oriented and trained new officers in department policies, operations and State laws ranging from traffic infractions to serious felonies.

Deputy/Paramedic: Developed and wrote policies and procedures for a deputy/paramedic program in which I operated an ALS squad car in a quick response vehicle, non-transport role. In this role, I also operated with the Jail Sheriff's Emergency Response Team (SERT) and worked with the Noblesville Emergency Services Unit (ESU).

Bloomington Hospital Ambulance Service

Acted as preceptor for new staff, as well as EMT-B and EMT-P students while working for BHAS.

Education

Indiana University.

Bachelor of Science in Nursing

Ivy Tech.

Associates of Science in Paramedic Science. Graduated Magna Cum Laude

Indiana Law Enforcement Academy.

Graduated third in class with Honors, which combined academic performance with firearms excellence and high physical fitness standards.

Teaching

TNCC Instructor: Presenting ENA lectures throughout Indiana; working with StatFlight and St Vincent staff.

PHTLS: Presented lectures as a guest lecturer for combined PHTLS classes.

St Vincent Trauma Core Course: Presented lectures to St Vincent nurses on assessment and resuscitation of the acute trauma patient.

Indiana University: Presented guest lectures to EMT-Basic classes and taught skill labs. Acted as evaluator for state EMT-B testing.

Ivy Tech: Presented guest lectures to Paramedic Students and helped teach skill labs.

Indiana University Law Enforcement Academy: Presented guest lectures to the cadets in first responder training and EMS Awareness.

Hamilton County Sheriff's Office: Firearms instructor. Responsible to teaching basic marksmanship to advanced tactical shooting in handgun, rifle, shotgun and less lethal weapons.

Research

Currently working with St Vincent ER, Trauma and Pharmacy staff to develop new pain and sedation standards and protocols for the acutely injured trauma patient in the ER based on the most up to date information and best practices available.

JEREMEY MALLOCH RN, EMT-P, BSN

EXPERIENCE

PHI AIRMEDICAL 10 / 2012 - Present

Flight RN

Transport of critically ill and injured patients via air ambulance.
Maintain and develop relationships with local EMS agencies and hospitals.
Responsible for the development of a flight contract with a hospital that had previously not used our services.

ST. VINCENT HEALTH SYSTEM 02 / 2010 - 10 / 2013

RN/Paramedic

Provide care to patients presenting to the Adult Emergency Department with complaints ranging from coughs and colds to multi-system traumas. Roles include direct patient care, Charge nurse/supervisor, triage and orienting/precepting new nurse and nursing students, as well as assisting with training of EMT-B, EMT-P students and medical residents.

Helped develop Ultrasound guided IV placement team in the ER.

RIVERVIEW HOSPITAL 09 / 2008 - 08 / 2010

RN/Paramedic

Provide nursing care to patients presenting to the Emergency Department and care to patients in the Intensive Care Unit, in a part time/PRN role.

HAMILTON COUNTY SHERIFF'S OFFICE 10 / 2007 - 02 / 2010

Deputy Sheriff/Paramedic

Deputy assigned to the patrol division. Responsible for responding to emergency calls, routine calls for service and proactive enforcement of criminal, traffic and civil laws. Wrote policies/procedures and protocols (operational, not medical) and developed a deputy/paramedic program which entailed maintaining an ALS certified, non-transport vehicle and responding to medical calls in addition to police responsibilities. In this role worked with members of the Jail tactical team as a team member and provided proactive health management through routine health checks. Also worked with the Noblesville Emergency Response Team, providing medical coverage necessary to complete their mission.

CITY OF NOBLESVILLE 01 / 2006 - 10 / 2007

Patrolman

Patrolman assigned to the patrol division. Responsible for responding to emergency calls, routine calls for service and proactive enforcement of criminal, traffic and civil laws. Also responded as a medical responder.

METHODIST HOSPITAL 05 / 2004 - 09 / 2006

Student Nurse Extern/Paramedic

Completed the Student Nurse Extern (SNE) program at Methodist's Emergency Medicine and Trauma Center and then transitioned into the Paramedic role at the completion of the program.

BLOOMINGTON HOSPITAL 10 / 2002 - 01 / 2006

Paramedic/EMT-B

Respond to medical calls throughout Monroe County working with Paramedics, EMT-basics and first responders to provide pre-hospital care. Started career as EMT-B, then progressed, to Paramedic level care. While at Bloomington, I worked in house in the ER and completed a student nurse internship in surgery.
